# 2025

**Why Pay More ?**

**Best Prices in the Industry**

**New Designs for all Levels**

**Made for Riders by Riders**

## STAX UNLIMITED

Established 2013 serving the planet with unique designs for wakepark features.

Tons of new features in 2025. STAX 12th ANNIVERSARY!!  
New Management. Massive price drop. More Feature for your CASH.  
Stronger material, higher density surface and more anti UV.  
Good time to upgrade your set up and pimp your wakepark with fresh features.

Bigger obstacles, better prices.

Enhanced quality with new technology and tools.

NEW "MUAY THAI, BRINKS TRUCK SERIES, PIPE VARIATIOS AND BOXES".

All other features improved and optimized.

Wakeboard and wakeskate obstacles, floating walkways and other cool accessories. 198 items on 48 pages in the new 2025 catalog. Shipping service to 50+ countries worldwide. Our team can help you with set up, layout and consulting for any wakepark project.

## 5 Year Worldwide Warranty Shipping Service to more than 50 Countries

### HDPE

Our own HDPE (polyethylene) mixture for extreme weather conditions with anti UV and extra high surface density components. 100% virgin HDPE non recycled for maximum performance, environment friendly, non toxic and long lasting life expectancy.

### PS,XPS

Full styrofoam (polystyrene) core. CNC cut and embedded in our features.

### PLUG and PLAY

Easy set up, flawless connections with our custom ridge and slot system.  
Extra durable joints with fusion welded connections.

### SET UP

We provide tools and detailed set up manuals for all our features

### CUSTOM

Your vision, your project, STAX team can help from A-Z, survey, park layout, cable system, waterpark equipment, features, business plan, water treatment, logistics, maintenance, upgrades and more.

### PRO TEAM

Riders are not only amazing on the water. Our international pro team is fluent in various languages and keen to help you with improving your park, custom features, set up, events, camps, technical support and more. Get in touch for detailed information.
